

## SAFETY DATA SHEET

### AMACO GUM SOLUTION

#### 1. Identification

##### Product identifier

Product name AMACO GUM SOLUTION

##### Details of the supplier of the safety data sheet

Supplier American Art Clay Co Inc  
6060 Guion Road  
Indianapolis,  
IN 46254-1222  
USA  
+1 317 244 6871

##### Emergency telephone number

Emergency telephone 1 317 244 6871

#### 2. Hazard(s) identification

##### Classification of the substance or mixture

Physical hazards Not Classified

Health hazards Not Classified

Environmental hazards Not Classified

##### Label elements

Hazard statements NC Not Classified

#### 3. Composition/information on ingredients

#### 4. First-aid measures

##### Description of first aid measures

Inhalation Unlikely route of exposure as the product does not contain volatile substances.

Ingestion Do not induce vomiting. Rinse mouth thoroughly with water. Give a few small glasses of water or milk to drink. Get medical attention if any discomfort continues.

Skin Contact Wash skin thoroughly with soap and water.

Eye contact Rinse with water.

##### Most important symptoms and effects, both acute and delayed

Inhalation Read Section 2 for any specific precautions associated with this product. In general, breathing any type of dust/mist can and may aggravate irritation of the throat and lungs.

Ingestion Read Section 2 for any specific precautions associated with the use of this product. Products with specific warnings about ingestion will give guidance there.

Skin contact Prolonged skin contact may cause redness and irritation.

Eye contact Read Section 2 for any specific precautions associated with the use of this product. In general most ceramic and special products contain materials that maybe abrasive to eyes. Keeping materials from contacting the eyes is prudent. If contact does occur, flush with clean water, do not rub.

##### Indication of immediate medical attention and special treatment needed

Notes for the doctor Treat symptomatically.

## AMACO GUM SOLUTION

### 5. Fire-fighting measures

#### Extinguishing media

**Suitable extinguishing media** Use fire-extinguishing media suitable for the surrounding fire.

#### Special hazards arising from the substance or mixture

**Specific hazards** The product is not believed to present a hazard due to its physical nature.

#### Advice for firefighters

**Special protective equipment for firefighters** Use protective equipment appropriate for surrounding materials.

### 6. Accidental release measures

#### Personal precautions, protective equipment and emergency procedures

**Personal precautions** For personal protection, see Section 8.

#### Environmental precautions

**Environmental precautions** Avoid spreading dust or contaminated materials.

#### Methods and material for containment and cleaning up

**Methods for cleaning up** Collect spillage for reclamation or absorb in vermiculite, dry sand or similar material.

**Reference to other sections** For waste disposal, see Section 13. For personal protection, see Section 8.

### 7. Handling and storage

#### Precautions for safe handling

**Usage precautions** Read label before use. Do not eat, drink or smoke when using this product. Good personal hygiene procedures should be implemented. Wash hands and any other contaminated areas of the body with soap and water before leaving the work site.

#### Conditions for safe storage, including any incompatibilities

**Storage precautions** Store in tightly-closed, original container in a dry and cool place.

#### Specific end uses(s)

**Specific end use(s)** The identified uses for this product are detailed in Section 1.2.

### 8. Exposure Controls/personal protection

**Ingredient comments** Only ingredients listed in Section 3 are notifiable for this product. If none are shown then all ingredients are exempt.

#### Exposure controls

**Appropriate engineering controls** No specific ventilation requirements unless the "FAN" pictogram is shown above or specified in Section 2.

**Eye/face protection** No specific eye protection required unless the "EYE PROTECTION" pictogram is shown above or specified in Section 2.

**Hand protection** No specific hand protection required unless the "HAND PROTECTION" pictogram is shown above or specified in Section 2.

**Hygiene measures** When using do not eat, drink or smoke.

**Respiratory protection** No specific respiratory protection required unless the "RESPIRATOR" pictogram is shown above or specified in Section 2. Using the appropriate certified protection for the operation is important if required.

### 9. Physical and Chemical Properties

#### Information on basic physical and chemical properties

|                                              |                           |
|----------------------------------------------|---------------------------|
| Appearance                                   | Solid.                    |
| Color                                        | Various colors.           |
| Odor                                         | Almost odorless.          |
| Odor threshold                               | No information available. |
| pH                                           | 6-8                       |
| Melting point                                | No information available. |
| Initial boiling point and range              | No information available. |
| Flash point                                  | No information available. |
| Evaporation rate                             | No information available. |
| Flammability (solid, gas)                    | No information available. |
| Upper/lower flammability or explosive limits | No information available. |
| Vapour pressure                              | No information available. |
| Relative density                             | Greater than 1.0          |
| Solubility(ies)                              | Not applicable.           |
| Partition coefficient                        | No information available. |
| Auto-ignition temperature                    | Not applicable.           |
| Decomposition Temperature                    | No information available. |
| Viscosity                                    | No information available. |
| Explosive properties                         | none                      |
| Oxidising properties                         | none                      |
| Other information                            | Not applicable.           |

### 10. Stability and reactivity

|                                    |                                                                     |
|------------------------------------|---------------------------------------------------------------------|
| Reactivity                         | There are no known reactivity hazards associated with this product. |
| Stability                          | Stable at normal ambient temperatures and when used as recommended. |
| Possibility of hazardous reactions | None known.                                                         |
| Conditions to avoid                | None known.                                                         |
| Materials to avoid                 | None known.                                                         |
| Hazardous decomposition products   | None known.                                                         |

### 11. Toxicological information

## AMACO GUM SOLUTION

### Information on toxicological effects

**Toxicological effects** Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any).

### Skin corrosion/irritation

### Skin sensitization

**Skin sensitisation** Based on available data the classification criteria are not met.

**Eye contact** May cause temporary eye irritation.

## 12. Ecological Information

**Ecotoxicity** Not regarded as dangerous for the environment.

### Toxicity

**Toxicity** Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers.

### Persistence and degradability

**Persistence and degradability** No data available.

**Biodegradation** Moderately biodegradable.

### Bioaccumulative potential

**Partition coefficient** No information available.

### Mobility in soil

**Mobility** Semi-mobile.

### Results of PBT and vPvB assessment

**Results of PBT and vPvB assessment** This product does not contain any substances classified as PBT or vPvB.

### Other adverse effects

**Other adverse effects** None known.

## 13. Disposal considerations

### Waste treatment methods

**General information** Dispose of waste product or used containers in accordance with local regulations

## 14. Transport information

**General** The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, DoT).

### UN Number

Not applicable.

### UN proper shipping name

Not applicable.

### Transport hazard class(es)

No transport warning sign required.

## AMACO GUM SOLUTION

### Packing group

Not applicable.

### Environmental hazards

#### **Environmentally Hazardous Substance**

Please refer to Section 2 for any environmental hazards associated with this product. If H411/H412 warnings are shown then please verify packaging and labeling requirements for larger volumes.

### Special precautions for user

Not applicable.

**Transport in bulk according to** Not applicable.

**Annex II of MARPOL 73/78  
and the IBC Code**

## 15. Regulatory information

### US State Regulations

#### **California Proposition 65 Carcinogens and Reproductive Toxins**

None of the ingredients are listed or exempt.

### Inventories

#### **Canada - DSL/NDSL**

All the ingredients are listed or exempt.

#### **US - TSCA**

All the ingredients are listed or exempt.

#### **US - TSCA 12(b) Export Notification**

All the ingredients are listed or exempt.

## 16. Other information

### **General information**

The following are the top 5 materials by weight listed for New Jersey (if applicable):- Water  
7732-18-5, Sodium Carboxymethylcellulose9004-32-4, Hexahydro-TRIS(2-Hydroxyethyl)-  
Triazine141-43-5  
Nonyl Phenol Ethoxlate26027038-3  
Methyl Salicylate119-36-8

### **Revision date**
